Department of Biology award winners, from left to right, Grace Lee, Nimisha Schneider, Jaclyn Ho, Samantha Burke, Shuo Han, Tristan Kooistra, Amudha Panneerselvam, Jocelyn Chin, Adelaide Fuller, Sunny Lou and Ryan Flynn.

BIOLOGY

John L. Asinari Award—For outstanding research in the field of life sciences

- Adelaide Fuller '09, Weybridge, Vt.
- Jaclyn Ho '09, Chappaqua, N.Y.
- Sunny Lou '09, Wayland, Mass.
- Nimisha Schneider '09, Brookline, Mass.
- Shuo Han '09, Diamond Bar, Calif.

Gene Brown Prize—For outstanding academic scholarship and demonstrated excellence as a teaching assistant in 7.02

- Grace Lee '09, Potomac, Md.

Susan Hockfield Prize in Life Sciences—For a third-year MIT undergraduate student in any area of the life sciences who has demonstrated both exceptional performance and promise for graduate study and research

- Amudha Panneerselvam '10, Cranston, R.I.

Ned Holt Prize—For demonstrated excellence in scholarship as well as service to the MIT community through outstanding teaching in 7.012, 7.013, 7.014 and 7.02

- Samantha Burke '09, Tewksbury, Mass.

Salvador E. Luria Prize—For excellent scholarship and research of publication quality

- Jocelyn Chin '09, Los Altos, Calif.

Merck Prize—For outstanding research and academic performance in biophysical or bioinformatics sciences

- Ryan Flynn '10, Mount Laurel, N.J.

Whitehead Prize—For outstanding promise for a career in biological research through academic scholarship as well as contributions to research and the MIT community

- Tristan Kooistra '09, Campobello, S.C.

Biology Undergraduate Symposium Speakers 2009—These students were nominated by faculty and selected to speak and present their research at the Biology Undergraduate Symposium in January 2009

- Guo-Liang Chew '10, Singapore
- Christine Chin '09, Fayetteville, N.Y.
- Ryan Flynn '10, Mount Laurel, N.J.
- Tristan Kooistra '09, Campobello, S.C.
- Cassie Liu '10, Tomball, Texas
- Amudha Panneerselvam '10, Cranston, R.I.
- Lauren Rodda '11, Vienna, Va.
- Dima Ter-Ovanesyan '10, Newton, Mass.
- Clara Yuan '09, Campbell, Calif.
- Erica Young '09, Sharon, Mass.
- MaryAnn Zhang '09, Collegeville, Pa.

ARCHITECTURE

Additional awards will be announced at the Department Awards Reception on June 4.

Undergraduate Design Award—Given to an architecture design steam senior

- Tal Goldenberg '09, Tel Aviv, Israel

Master of Science in Architecture Studies Prize for Thesis—In recognition of the best SMArchS thesis

- Nancy Demerdash G, New Berlin, Wis.
- Sandra S. Frem G, Jounieh, Lebanon
- Ateya A. Khorakiwala G, Mumbai, India

William Everett Chamberlain Prize—Given to an architecture senior for academic excellence

- Joanna Rodriguez-Noyola '09, Bayamon, Puerto Rico

Outstanding Undergraduate Prize—Given to an architecture senior for academic excellence

- Lori Ferriss '09, Asheville, N.C.

Tucker Voss Award—Given to a student who shows promise for the future in the general field of building construction

- Matthew DeJong, doctoral candidate, Davis, Calif.

BRAIN AND COGNITIVE SCIENCES

Angus MacDonald Award for Excellence in Undergraduate Teaching

- Tim Brady G, Lindenhurst, N.Y.
- Steve Piantadosi G, Baltimore, Md.
- Lauren Barr G, Pendleton, Ind.
- Scott Gorlin G, San Francisco, Calif.
- Todd Thompson G, Austin, Texas
- Stuart Layton G, Sandy, Utah
- Nadya Modyanova G, Moscow, Russia; London, U.K.

Walle Nauta Award for Continuing Dedication to Teaching

- Mike Frank G, New York, N.Y.
- Michelle Machon G, Boston, Mass.
- Dmitriy Aronov G, New York, N.Y.
- Tim Brady G, Lindenhurst, N.Y.

BCS Award for Excellence in Undergraduate Teaching

- John Gabrieli, Co-Director, MIT Clinical Research Center
- Rebecca Saxe, assistant professor of cognitive neuroscience

BCS Award for Excellence in Undergraduate Advising

- Ki Goosens, assistant professor
- Carlos Lois, assistant professor of neuroscience
- Laura Schulz, assistant professor

Honorable Mention for Outstanding Research

- Isabel Chang '10, Korea
- Avril Kenney '11, Oakland, Calif.
- Alexandra May '10, Des Moines, Iowa
- Jessica Kim '10, Alamo, Calif.
- Seleeke Flingai '11, Minneapolis, Minn.
- Aimi Watanabe '11, Lahaina, Hawaii

Honorable Mention for Outstanding Academic Record—Represents a perfect MIT GPA

- Kevin Wang '10, New York, N.Y.
- Genevieve Conley '10, Eugene, Ore.
- Ellie Sougandis '10, Austin, Texas
- Lynne Tye '10, Ithaca, N.Y.
- Anikia Tucker '10, Kingston, Jamaica

- Aditya Joshi '10, Schenectady, N.Y.
- Matthew Cohen '10, Newton, Mass.
- Avril Kenney '11, Oakland, Calif.
- Kelly Drinkwater '11, Belmont, Calif.
- Ryan Andrews '10, Belle Vernon, Pa.

Hans-Lukas Teuber Award for Outstanding Academics—Represents a perfect GPA for four years of study at MIT

- Sha-har Adomni '09, Great Neck, N.Y.
- Alice Ainsworth '09, Burke, Va.
- Stephanie Brenman '09, Newton, Mass.
- Abigail Clark '09, Springfield, Va.
- Jacquelyn Gold '09, Boca Raton, Fla.
- Denise Ichinco '09, Emerson, N.J.
- Kimberly Reinhold '09, Hilo, Hawaii
- Matthew Serna '09, Edinburg, Texas
- Irina Shklyar '09, Sherman Oaks, Calif.
- Angeline Wang '09, Beverly Hills, Calif.

Walle J. H. Nauta Award for Outstanding Research in Brain and Cognitive Sciences

- Rachel Tsunemoto '09, Honolulu, Hawaii
- Abigail Clark '09, Springfield, Va.
- Kimberly Reinhold '09, Hilo, Hawaii
- David Purger '09, Fairfax, Va.
- Denise Ichinco '09, Emerson, N.J.
- Alice Ainsworth '09, Burke, Va.
- Stephanie Brenman '09, Newton, Mass.
- Kiersten Pollard '09, Denver, Colo.
- Olga Felsovalyi '09, Bloomfield, N.J.
- Carlos Cardenas '09, San Diego, Calif.
- Stephanie Chan '09, Hong Kong, China
- Jacob Ruzevic '09, Coronado, Calif.

Institute Awards 2008-2009

AERONAUTICS AND ASTRONAUTICS

James Means Memorial Award—For excellence in Space Systems Engineering

- Emily B. Grosse '09, Cambridge, Mass.

James Means Memorial Award—For excellence in Flight Vehicle Engineering

- Joseph S. Pokora '09, Comstock Park, Mich.
- Constantine G. Speredakos '09, Danvers, Mass.

Admiral Luis de Florez Prize—For original thinking or ingenuity, as demonstrated by the individual effort of the student

- Luis E. Perna '09, Tampa, Fla.
- Bruce T. Vest '09, Godfrey, Ill.
- Jesse M. Carr '09, Boxford, Mass.
- Anton de Winter '09, Johannesburg, South Africa
- Erich Mueller '09, Calgary, Alberta, Canada

The Andrew Morsa Prize—Awarded for demonstration of ingenuity and initiative in the application of computers to the field of Aeronautics and Astronautics

- Fuzhou Hu '09, Cary, N.C.
- Matthew T. Peddie '09, Harleysville, Pa.
- Piotr Fidkowski '09, Macungie, Pa.

The Yngve Raustein Award—Given to a Unified Engineering student who best exemplifies the spirit of Yngve Raustein and to recognize significant achievement in Unified Engineering

- Kathryn A. Gordon '11, Clinton, Wash.

The Apollo Award—Given to an Aero-Astro student who conducts the best undergraduate research project on the topic of humans in space

- Ryan M. McLinko '09, Waxhaw, N.C.

The David J. Shapiro Award—Given to pursue special aeronautical projects that are student-initiated, and/or to support foreign travel for the enhancement of scientific/technical studies and research opportunities

- Bruno Alvisio '11, Buenos Aires, Argentina
- Danielle M. DeLatta '11, Ellicott City, Md.
- Raqeebul I. Ketan '11, Dhaka, Bangladesh
- Natasha Bosanac '10, Mudgeeraba, Australia
- Eli A. Cohen '10, Medfield, Mass.
- Jacob L. Rosenbluth '10, Mill Valley, Calif.
- Ramon L. Torres '09, Gurabo, Puerto Rico

The Leaders for Manufacturing Prize—Awarded to a team that uses their project to directly deal with issues related to the interaction between manufacturing and engineering through demonstration of modern manufacturing processes

- Jillian M. James '10, Boxborough, Mass.
- Ashley E. Micks '09, Columbus, Ohio
- Rodrigo A. Zeledon '09, San Jose, Calif.

The Lockheed Martin Prize for Excellence in Systems Engineering—Awarded to an undergraduate team who has exhibited superior level of accomplishment in engineering innovation, product development and team organization

- Stephanie A. Couch '09, Brentwood, Tenn.
- Frances A. Gonzalez '09, Miami, Fla.
- Caroline S. Lowenthal '09, Haverford, Pa.

- Ryan M. McLinko '09, Waxhaw, N.C.
- Tina P. Srivastava '09, Dallas, Texas

The United Technologies Corp. Prize—Awarded to an Aero-Astro student for outstanding achievement in the design, construction, execution, and reporting of an undergraduate experimental project

- Alexander L. Pina '09, Granby, Colo.
- Gregory T. Wellman '09, Chelmsford, Mass.
- Ryan M. Daspit '09, Metairie, La.
- Eric R. Munoz '09, Opa Locka, Fla.

The Henry Webb Salisbury Award—Given in memory of Henry Salisbury to a graduating senior who has achieved superior academic performance in the Course XVI Undergraduate Program

- David A. Sanchez '09, Santa Maria, Calif.

The Rene H. Miller Prize in Systems Engineering—Awarded to a student who has done the best piece of work in systems engineering in the Aero-Astro Department

- Wilfried K. Hofstetter, doctoral candidate, Kirchseeon, Germany

The Aero-Astro Teaching Assistantship Award—Given to a teaching assistant—or assistants—who has demonstrated conspicuous dedication and skill in helping fulfill an undergraduate or graduate subject's educational objectives

- Bradley T. Holschuh G, Moorhead, Minn.

American Institute of Aeronautics and Astronautics (AIAA) Undergraduate Advising Award

- Institute Professor Sheila E. Widnall

AIAA Undergraduate Teaching Award—Given by the AIAA Student Chapter to a faculty or staff member who has exemplified the role of a "great teacher"

- Steven R. Hall, professor of Aero-Astro

Aero-Astro Wings award—In recognition of his support of AeroAstro students, staff and faculty

- Administrative Assistant Mark Prendergast

Aero-Astro Spirit of XVI Team Award—For their handling a myriad of tasks, from scheduling to promotion cases, from faculty search to event planning, and "virtually anything else that occurs in the Aero-Astro department," while maintaining a terrific sense of caring, good humor, dedication, and individual attention to all

- Robin Palazzolo, administrative assistant
- Sue Whitehead, coordinator for development and strategic initiative

Aero-Astro Spirit of XVI Individual Award—For shaping the education of countless Aero-Astro students over the years through hands-on research and design experiences

- Paul Bauer, research specialist

Vicki Kerrebrock Award—For its influence on the department through leadership on issues impacting graduate students, involvement in the recruiting of new students, and sponsorship of numerous activities that strengthen our community

- The Graduate Association of Aeronautics and Astronautics

CHEMICAL ENGINEERING

Merck Fellow

- Michael Blaisse '09, Harrisburg, Pa.

Cunningham Scholar Fellow

- Shenwen Huang '10, Mayfield Heights, Ohio

William L. Stewart Jr. Award—Recognizes outstanding contributions to extracurricular activities and events during the year

- Johnathan Cromwell '09, Santa Clarita, Calif.

Genetech Scholar Award

- Timothy Humpton '10, Jamison, Pa.

The Robert T. Haslam Cup—The Robert T. Haslam Cup is awarded each year to a student who shows outstanding professional promise in Chemical Engineering

- Jacqueline Douglass '09, Memphis, Tenn.

The Roger De Friez Hunneman Prize—For recognition of outstanding scholarship in class and research

- Jason Whittaker '09, Wayland, Mass.

The Chemical Engineering Department Special Service Awards

- Kathryn Schumacher '09, Frederick, Md.
- Adekunle Adeyemo G, Ogudu Ojota, Lagos, Nigeria
- Joshua Allen G, White Bear Lake, Minn.
- Emily Chang G, Edison, N.J.
- Himanshu Dhamankar G, Mumbai, India
- Jyoti Goda G, Rourkela, India
- Patrick Heider G, Greenfield, Mass.
- Jaisree Iyer G, Mumbai, Maharashtra, India
- Becky Ladewski G, Lawrence, Mass.

- Bradley Niesner G, Buda, Texas
- Michael Petr G, Wichita, Kan.
- Justin Quon G, Hockessin, Del.
- Yuxi Zhang G, Nanjing, Jiangsu, China

Edward W. Merrill Outstanding Teaching Assistant Award

- Jamila Saifee G, Tarzana, Calif.

Outstanding Graduate Teaching Assistant Award

- Vicki Dydek G, Arlington, Va.

Spring 2009 Outstanding Seminar

- Wayne Blaylock G, Crossville, Tenn.

Fall 2008 Outstanding Seminar

- Joseph Scott G, Royal Oak, Mich.

Chemical Engineering Outstanding Employee Award

- Rosangela Dos Santos, administrative assistant

Chemical Engineering Individual Accomplishment Award

- Beth Tuths, administrative assistant
- Steve Wetzel, manager of engineering facilities

Rock Award—Given to a deserving student for showing leadership on the athletic field

- Ming Yang, Nantong, Jiangsu China

Institute Awards 2008-2009

CHEMISTRY

Alpha Chi Sigma—For distinguished scholastic achievement, originality and breadth of interest in chemistry

- Annelise R. Beck '09, Minnetrista, Minn.
- Stephen D. Fried '09, Leawood, Kan.
- Veena Venkatachalam '09, Berkeley Heights, N.J.

Chemistry Research Award—For outstanding contributions in the area of research

- Koyel Bhattacharyya '09, Rockville, Md.
- Shanying Cui, San Diego, Calif.
- Kyrstin L. Fornace '09, Bethesda, Md.
- Christopher J. Love '09, Atlantis, Fla.
- Thomas F. Martinez '09, Sunland, Calif.
- Sarah J. Smith '09, Whitesboro, N.Y.
- Yunji Wu '09, Iowa City, Iowa

Research & Teaching Award—For outstanding contributions in the areas of research and teaching to the department

- Sarah Campbell Proehl '09, Pleasantville, N.Y.

Merck Index Awards—For outstanding scholarship

- Tamara R. Litwin, Round Rock, Texas
- Elise G. Liu '09, Auburn, Ala.
- WenHui Tan '09, Henderson, Nev.
- Alexandra P. Teaciuc '09, Bucharest, Romania

Hypercube Scholar Award—In recognition of outstanding contributions in the advancement of computational chemistry

- Jongjin B. Kim '09, Pittsburgh, Pa.

ACS Analytical Chemistry Award—For achievement by a junior in analytical chemistry

- Sidney E. Creutz '10, Earlysville, Va.

Sophomore Achievement Award—For outstanding performance as a sophomore in academics, research and service to the department

- Jonathon T. Gunn '11, St. Charles, Mo.

CRC Press Freshman Chemistry Achievement Award—for outstanding academic achievement in chemistry

- Daniel S. Levine '12, Succasunna, N.J.

Strem Award—In recognition of the best undergraduate research presentation

- Annelise R. Beck '09, Minnetrista, Minn.

Association of MIT Alumnae Senior Academic Award Winner

- Annelise R. Beck '09, Minnetrista, Minn.

Barry M. Goldwater Scholarship—Outstanding undergraduate college student pursuing a career in the fields of science, math or engineering

- Sidney E. Creutz '10, Earlysville, Va.

Earl M. Murman Award—For excellence in Undergraduate Advising

- Professor Robert W. Field

Frederick D. Greene Teaching Award

- Paul D. Boudreau '09, Cambridge, Mass.

CIVIL AND ENVIRONMENTAL ENGINEERING

The Steinberg Prize—For outstanding academic achievement and demonstrable interest in construction management

- Mahalia Miller '09, Stevens Point, Wis.
- Lauren Biscombe '09, Norristown, Pa.

The Leo (Class of 1924) and Mary Grossman Award—For outstanding academic achievement and a strong interest in transportation

- Naomi Stein '10, Troy, N.Y.

Tucker-Voss Award—Given to a student who shows particular promise in the field of building construction

- Asbjorg Kristinsdottir, doctoral candidate, Reykjavik, Iceland

Maseeh Award—For excellence in teaching

- Franz-Josef Ulm, professor of CEE

Maseeh Award—For excellence as a teaching assistant

- Tanvir Ahmed, doctoral candidate, Dhaka, Bangladesh

The Trond Kaalstad (Class of 1957) Award—Recognizes an outstanding graduate student who has displayed leadership and/or contributed significantly to the well-being of the CEE community

- Jose Alberto Ortega, doctoral candidate, Cuenca, Ecuador

CENTER FOR INTERNATIONAL STUDIES

Center for International Studies Summer Study Grant—Doctoral students in international affairs who received summer support for dissertation research

- Greg Distelhorst, Seattle, Wash.
- Erica Dobbs, Chicago, Ill.
- Keren Fraiman, Chicago, Ill.

- Xaq Frohlich, Austin, Texas
- Jason Jackson, Mandeville, Jamaica
- Yumin Joo, Seoul, South Korea
- Stephanie Kaplan, Arlington Heights, Ill.
- Cynthia Kinnan, Golden, Colo.
- Peter Krause, West Hartford, Conn.
- Topher McDougal, Santa Fe, N.M.

- Karin Oen, Dorchester, Mass.
- Timea Pal, Tg-Mures/Marosvasarhely, Romania
- Michael Rossi
- Nah Yoon Shin, Seoul, South Korea
- Caitlin Talmadge, Dallas, Texas
- Yanbo Wang, Changchun, China
- Yuan Xiao, Beijing, China

FOREIGN LANGUAGES AND LITERATURES

Award for Excellence in Foreign Languages and Literatures—given to undergraduates who achieve proficiency in a foreign language, cultural understanding and enthusiasm for foreign language learning

- Carmel Mercado '09, Coral Springs, Fla.
- Mahalia Miller '09, Stevens Point, Wis.
- Bianca Tayina Tardieu '10, Rockville, Md.

Lufthansa Prize—For excellence in German studies

- First prize: Manuel Esquivel Echeverria '10, San Jose, Costa Rica
- First prize: Mattias Flander '11, Gothenburg, Sweden
- Second prize: Katherine de Kleer '09, Los Altos, Calif.

- Second prize: Sophie Poizeau G, Antony, France
- Third prize: Jeremy Kuempel '10, Cincinnati, Ohio
- Third prize: Muriel L. Rambeloarison '11, Antananarivo, Madagascar
- Third prize: Ana-Maria Piso '10, Bucharest, Romania
- Third prize: Jovana Veselinovic '12, East Sarajevo, Bosnia and Herzegovina
- Third prize: Cathy Wu '11, Redmond, Wash.
- Third prize: Tony (Hyun) Kim '09, Lynnwood, Wash.
- Third prize: Kesavan Yogeswaran '11, Rochester, N.Y.
- Third prize: Mahalia Miller '09, Stevens Point, Wis.

Summer Study Scholarship in Mexico—For excellence in Spanish studies

- Dorian Dargan '11, Wichita Falls, Texas

January Scholars in France—For excellence in French studies

- Koyel Bhattacharyya '09, Rockville, Md.
- Melissa Diskin '11, Newport News, Va.
- Alina Griner '10, Lexington, Mass.
- Elizabeth Leshen '10, New York, N.Y.

Institute Awards 2008-2009

ELECTRICAL ENGINEERING AND COMPUTER SCIENCE

Carlton E. Tucker Teaching Award—For teaching excellence

- Natasa Blitvic G, Quebec, Canada

Harold L. Hazen Teaching Award—For teaching excellence

- Jay Fucetola G, Fort Collins, Colo.

Frederick C. Hennie III Teaching Award—For teaching excellence

- Shay Maymon G, Herzeliya, Israel
- Max Goldman G, Wellesley, Mass.

George M. Sprowls Award—for best PhD thesis in computer science

- Jacob R. Eisenstein PhD '08, Champaign, Ill.
- Rui Fan PhD '08, Ontario, Canada
- David F. Huynh PhD '07, San Francisco, Calif.
- Sachin R. Katti PhD '08, Emeryville, Calif.

Northern Telecom/BNR Project Award—for best 6.111 laboratory project for Fall 2008

- Donald Goldin '09, Woburn, Mass.
- Mark Sullivan '10, Fall River, Mass.
- Nicholas Harrington, '09, Alpine, Calif.
- Tao Benjamin Schardl '09, Lexington, Ky.

Morris Joseph Levin Award—For the best oral thesis presentation

- Irene R. Fan G, Saratoga, Calif.
- Elena L. Glassman G, Pipersville, Penn.
- Walker R. Chan G, Princeton, N.J.
- Jennifer L. Barry G, South Hadley, Mass.

George C. Newton Undergraduate Laboratory Prize

- Tony (Hyun) Kim '09, Lynnwood, Wash.
- Nevada Sanchez '10, Cambridge, Mass.

David A. Chanen Writing Award

- Syed Raza '10, Lahore, Pakistan

Charles & Jennifer Johnson Master's of Engineering Award in Computer Science

- Lydia Chilton G, El Cerrito, Calif.
- Philip Pohong Sung G, Saratoga, Calif.

William A. Martin Memorial Master's Thesis Award in Computer Science

- Ankur Moitra G, Scotia, N.Y.

David Adler Memorial Master's of Engineering Thesis Award in Electrical Engineering

- Michael Price G, Gaithersburg, Md.
- Spyridon Zoumpoulis G, Rafina, Greece

Raluca Popa, left, receives the Pogogyants UROP prize.

Ernst A. Guillemin Master's Thesis Award in Electrical Engineering

- 1st place: Srikanth Jagabathula G, Hyderabad, India
- 2nd place: David Da He G, Canton, Ohio

Arnold L. Nylander (1931) AUP Award

- Tao Benjamin Schardl '09, Lexington, Ky.

Licklider UROP Prize

- Kyle A. Miller '12, Eden Prairie, Minn.
- David Koh '11, Waltham, Mass.

Robert M. Fano UROP Award

- Tao Benjamin Schardl '09, Lexington, Ky.

Morais (1986) and Rosenblum (1986) UROP Award

- Sabrina M. Neuman '09, Canyon County, Calif.

Richard J. Caloggero Award—For loyal dedication to the department

- Maria Nargi, financial assistant

J. Francis Reintjes Excellence in VI-A Industrial Practice Award

- Michael R. Price G, Gaithersburg, Md.
- Zhen Li G, Jiangsu, China

Anna Pogogyants UROP Award

- Raluca A. Popa '09, Sibiu, Romania

Jerome H. Saltzer Award for Teaching Excellence

- Jing Kong, ITT Career Development Assistant Professor of Electrical Engineering

Louis D. Smullin (1939) Award for Teaching Excellence

- Jongyoon Han, associate professor of EECS and BE
- Joel Voldman, associate professor of EECS

Department Head Special Recognition Award

- Lydia Chilton G, El Cerrito, Calif.
- Michael Scott Bradley G, Bethesda, Mass.
- Yu Gu G, Cordova, Tenn.
- Yasuhiro Shirasaki G, Winchester, Mass.
- Arthur C. Smith, professor of EECS

GSA Graduate Counselor Award

- Randy Davis, professor of EECS

Ruth and Joel Spira Award

- Elfar Adalsteinsson, associate professor of EECS and HST

Burgess (1952) & Elizabeth Jamieson Award

- Leslie Kaelbling, professor of EECS
- Rajeev Ram, professor of EECS; RLE director

ENGINEERING SYSTEMS DIVISION

Annual International Operations Simulation Competition—Sponsored by Sloan Ops Club and GM, this is a three-day online team-based competition to see who can run the most profitable factory. Two-person team from MIT won first place

- Ghassan Awad G, Austin, Texas
- Daniel George G, Englewood, Colo.

Leaders for Manufacturing Best Thesis Award (2008)—"Development of a Total Landed Cost and Risk Analysis Model for Global Strategic Sourcing," was based on research he conducted while on his internship at PerkinElmer Inc. He received a Dell computer donated by Intel

- Brian Feller G, Round Rock, Texas

Charles "Harrison" Smith Award—In memory of LFM '99 alum Charles "Harrison" Smith to honor a first year LFM who exemplifies Smith's most remembered qualities while at LFM: living life to the fullest, bringing the class together, and making happy and lasting memories of the LFM experience for the entire cohort

- Jeremy Stewart G, Surgoinsville, Tenn.

SDM Best Thesis Award—Awarded for the thesis titled, "Generation Gaps in Engineering?"

- David Kim G, Sydney, Australia

AWARDS CONVOCATION

Arthur C. Smith Award

- Charles H. Stewart III, the Kenan Sahin Distinguished Professor of Political Science

Earl M. Murman Award for Excellence in Undergraduate Advising

- Robert W. Field, Haslam and Dewey Professor of Chemistry

Bose Award for Excellence in Teaching

- Vladimir Bulovic, the KDD Associate Professor of Communications and Technology

Everett Moore Baker Award for Excellence in Undergraduate Teaching

- Scott Manalis, associate professor of biological and mechanical engineering

Graduate Student Council Teaching Awards

- Douglas Fearing G, Cambridge, Mass.
- Jinhau Zhao G, Shandong Province, China
- Alejandra Uranga Cabrera G, Cambridge, Mass.

Goodwin Medal

- Barry Kudrowitz G, Delray Beach, Fla.

Frank E. Perkins Award

- Philip Gschwend, Ford Professor of Engineering

Edward L. Horton Fellowship

- Edgerton House Association

Howard W. Johnson Award

- Jimmy Bartolotta '09, Littleton, Colo.

Betsy Schumaker Woman Athlete of the Year

- Julia Zimmerman '09, Chicago, Ill.

Malcolm G. Kispert Award

- Alex May '10, Des Moines, Iowa
- James Oleinik '09, Ellicott City, Md.

Harold J. Pettegrove Award

- Paul Blascovich '09, Harrisburg, Pa.

D. Reid Weedon Award

- Kappa Sigma
- Alpha Chi Omega
- Honorable mention: Phi Delta Theta
- Honorable mention: Sigma Phi Epsilon

Frederick Gardner Fassett Jr. Award

- Tiffany Guo '09, Lagrange, Ohio
- David Hutchings '10, Corner Brook, Newfoundland

William L. Stewart Jr. Award

- Johnathan Cromwell '09, Santa Clarita, Calif.
- Adlai Grayson '10, Opa Locka, Fla.
- Ankur Sinha G, New Delhi, India
- Wendi Zhang '09, Pearland, Texas
- Chinese Students & Scholars Association

Louis Sudler Prize in the Arts

- Michael R. Miller '09, West Roxbury, Mass.

Laya & Jerome Wiesner Art Award

- Samuel Kronick '09, Chaska, Minn.
- Simone Ovsey '10, Northridge, Calif.
- MIT Salsa Club

Harold & Arlene Schnitzer Prize in the Visual Arts

- 1st prize: Matthew Mazzotta G, Boston, Mass.
- 2nd prize: Jay Silver G, Boston, Mass.
- Third prize: Jess Wheelock G, Simpsonville, S.C.
- Honorable mention: Leah Brunetto '12, Cambridge, Mass.

Ronald E. McNair Scholarship Award

- Aisha Bobb-Semple '09, New Haven, Conn.
- Matthew Gethers '09, Waterbury, Conn.
- Timan Goshit '09, Bronx, N.Y.
- Brandon Reese '09, Alpharetta, Ga.

Patrick E. McGovern Entrepreneurship Award

- MIT Energy Club (Amy M. Fazen, Lara Pierpoint, Pedro Santos, Marcio von Muhlen)

John S.W. Kellett '47 Award

- Adlai Grayson '10, Opa Locka, Fla.
- Ashley Davis '09, Danville, Va.

AMITA Award

- Annelise Beck '09, Minnetrista, Minn.
- Kathleen Xie '09, N. Billerica, Mass.

Albert G. Hill Prize

- Jeremy McGee '09, Snelville, Ga.
- Willie Mae Reese '10, Carlsbad, N.M.
- Kristin Rose '10, Wellington, Fla.

James N. Murphy Award

- Joseph R. Graham, Housing
- Kenneth McRitchie, DAPER Recreational Sports

Priscilla King Gray Award for Public Service

- Grace Lee '10, Potomac, Md.
- Tish Scolnik '10, Waccabuc, N.Y.

Laya Wiesner Community Award

- Barbara D. Smith, administrative assistant, mechanical engineering

Laya Wiesner Award

- Fiona Hughes '09, Albuquerque, N.M.

Gordon Y Billard Award

- Lotte Bailyn, professor of management, emerita
- John Deutch, Institute Professor
- Gerald Wilson, EECS professor

Karl Taylor Compton Prize

- Arjun Naskar '09, Los Altos Hills, Calif.
- Robert Y. Wang G, Suwanee, Ga.
- MIT - EMS

Institute Awards 2008-2009

ARTS / LITERATURE

HARVARD-MIT DIVISION OF HEALTH SCIENCES AND TECHNOLOGY

The London Teaching Award—in honor of their inspired teaching of HST.718, Anatomy of Speech and Hearing, in HST's Speech and Hearing Bioscience and Technology program

- Barbara Fullerton
- James Kobler

The McMahon Mentoring Award—in honor of his dedicated, heartfelt mentoring of HST's BIG, MEMP and MD students

- Peter Szolovits

The inaugural Seidman Prize for MD Research Mentoring—in honor of her committed, empowering mentoring in pediatric neurology

- Elizabeth Thiele

The BEP Teaching Award, selected by HST's Biomedical Enterprise Program (BEP) students—in honor of his outstanding teaching in HST.918, Economics of Health Care Industries

- Ernst R. Berndt

EARTH, ATMOSPHERIC AND PLANETARY SCIENCES

The W. O. Crosby Award for Sustained Excellence—The award recognizes achievement, both academic and intellectual, as well as participation in Department activities

- Roxana G. Safipour '09, Saratoga, Calif.

The Christopher Goetze Prize for Undergraduate Research—The award recognizes innovative experimental design, care in data collection, and sensitive application of results to research problems

- Sarah E. Gelman '09, Downers Grove, Ill.

The Award for Excellence in Teaching—The award recognizes the graduate student teaching assistants in EAPS who are selected by faculty and students as having met the highest standards of performance

- Terrence Blackburn G
- Laura Meredith G
- Alex Petroff G
- Alessondra Springmann G

The Carl-Gustaf Rossby Award—The award recognized the best PhD thesis done in the preceding year within the EAPS Program of Atmospheres, Oceans, and Climate

- Elke Hodson, PhD '08

Institute Awards 2008-2009

SCHOOL OF ENGINEERING

Bose Award for Excellence in Teaching—Given to a faculty member whose contributions have been characterized by dedication, care and creativity

- Vladimir Bulovic, associate professor of electrical engineering and computer science

Junior Bose Award—For an outstanding contributor to education from among the junior faculty of the School of Engineering

- Krystyn J. Van Vliet, assistant professor of materials science and engineering

Ruth and Joel Spira Awards for Excellence in Teaching—Awarded to one faculty member each in electrical engineering and computer science, mechanical engineering, and nuclear science and engineering to acknowledge “the tradition of high quality engineering education at MIT.” A fourth award will rotate among the school’s five other academic departments, beginning with Aeronautics and Astronautics in 2009

- Elfar Adalsteinsson, associate professor of EECS & HST
- Daniel Frey, associate professor of mechanical engineering and Engineering Systems Division
- Dennis G. Whyte, associate professor of nuclear science and engineering
- Zoltan S. Spakovszky, associate professor of aeronautics and astronautics

School of Engineering Graduate Student Award for Extraordinary Teaching and Mentoring—Established in 2006 to recognize an engineering graduate student who has demonstrated extraordinary teaching and mentoring as a teaching or research assistant

- Gunaranjan Chaudhry G, mechanical engineering

Capers and Marion McDonald Award for Excellence in Mentoring and Advising—To a faculty member who has demonstrated a lasting commitment to personal and professional development

- Leslie A. Kolodziejski, professor of electrical engineering and computer science

The Barry M. Goldwater Scholarship—Given to students who exhibit an outstanding potential and intend to pursue careers in mathematics, the natural sciences, or those engineering disciplines that contribute significantly to the technological advances of the United States

- Alvin S. Chen '10, Irvine, Calif.
- Vidya Ganapati '10, Portland, Ore.

The Henry Ford II Award—Presented to a senior engineering student who has maintained a cumulative average of 5.0 at the end of their seventh term and who has exceptional potential for leadership in the profession of engineering and in society

- Alona Birjiniuk '09, Weston, Mass.

MATERIALS SCIENCE AND ENGINEERING

Outstanding senior

- Johann Komander '09, Greenwood, Ariz.
- Rachel Zucker '09, Midland, N.C.

Outstanding junior

- Bryn Waldwick '10, Hopkinton, N.H.
- Brian Baum '10, Harvey Cedars, N.J.

Outstanding sophomore

- Kathleen Alexander '11, Corvallis, Ore.
- Mahati Chintapalli '11, Minnetonka, Minn.
- Lina Garcia '11, Cartagena, Columbia

Graduate Student Community Service Award

- Megan Brewster, doctoral candidate, Sammamich, Wash.
- Tiffany Ziebell, doctoral candidate, Hales Corners, Wis.

Graduate Student Teaching Award

- Jeremy Mason G, Shenandoah Junction, W.Va.

Outstanding PhD Thesis Research Award

- Jeremy Mason, doctoral candidate, Shenandoah Junction, W.Va.

First Year Graduate Student Exceptional Performance

- Marco Bernardi G, Roma, Italy

Outstanding Paper by a First or Second Year Graduate Student

- Hyunjung Yi G, Ansan, Korea

Horace A. Lubin Award for Outstanding Service to the DMSE Community

- Dian Ariesta '09, Jakarta, Indonesia

John Wulff Award for Excellence in Teaching

- Yoda Patta G, Bandung, Indonesia

Best Internship Report

- Elizaveta Y. Plotnikov '09, Niskayuna, N.Y.

Outstanding senior thesis

- Johann Komander '09, Greenwood, Ark.
- Joy Perkinson '09, Portland, Ore.
